

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to voice my concerns about the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

My wife flies frequently and enjoys the quiet (no cell phones, no calls) while flying. She is on call 24/7 most of the time and that is the only quiet time she has. DO NOT ALLOW PHONES ON PLANES. One can not even get their hair, or nails done without cell phones. She hates them.

The introduction of cell phone use in the cabin will increase tension among passengers.

Please leave the current rules in effect.

Sincerely,

Allan Bieger
